Projects eligible under this Category include projects or programs that match the following recommended definition of "street and highway maintenance, rehabilitation, reconstruction, and storm damage repair." A "program" is defined as a group or category of projects such as slurry seal projects, patching projects, etc. An appropriate percentage or pro-ratio of maintenance/rehabilitation equipment, audit, and overhead costs attributable to projects or programs under the Measure C Street Maintenance/Rehabilitation Category is an eligible expense. Per AB 2958 (Prop 42) language for local agency allocations (Revenue and taxation code, Section 7104 (e), Funds allocated to a city, county shall be used only for street and highway maintenance rehabilitation, reconstruction and storm damage repair. For purposes of this Street Maintenance Sub Program the following terms have the following meanings: Maintenance means either or both of the following:

Patching or spot repair in the existing pavement such as pothole patching, grinding and resurfacing, or total reconstruction of a failed pavement section for a small area or dig-out and Overlay and/or Sealing. Reconstruction includes any overlay, sealing, or widening of the roadway, if the widening is necessary to bring the roadway width to the desirable minimum width consistent with the geometric design criteria of the department for reconstruction, resurfacing, and rehabilitation projects that are not on a freeway but doesn't include widening for the purpose of increasing the traffic capacity of a street or highway.

Storm Damage repair is repair or reconstruction of local streets and highways and related drainage improvements that have been damaged due to winter storms and flooding and reconstruction of drainage improvements to mitigate future roadway flooding and damage problems in those jurisdictions that have been declared disaster areas by the President of the United States.

For further detail on eligible expenditures of the Street Maintenance Sub Program or further definitions and guidelines of the Local Transportation Program please refer to the Measure C Extension Strategic Implementation Plan.

Local agencies will receive 1.75% of Measure C Extension Local Transportation Funds over 20-years for ADA compliance including curb cuts and ramps to remove barriers, as well as other special transportation services for jurisdictions to meet the current requirements of the Americans with Disabilities Act (ADA). Communities already in compliance would not have to meet this mandate and jurisdictions that receive less than \$200,000 annually from the total local transportation program would also be exempt from this provision.

Projects eligible under this Category must deal with ADA compliance issues and include: curb cuts and ramps to remove barriers; striping and other special transportation services (that "non-compliance" ADA projects). For further detail on eligible expenditures of the ADA-Compliance Sub Program or further definitions and guidelines of the Local Transportation Program refer to the Measure C Extension Strategic Implementation Plan.
