Dear Mr. Boren,

The Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) are pleased to transmit the final report for the quadrennial certification review of the transportation planning process for the Fresno Council of Governments' (Fresno COG) metropolitan planning area.

The result of the review is that the FHWA and FTA jointly certify that Fresno COG's transportation planning process meets the requirements of 23 Code of Federal Regulations (CFR) 450 and 49 CFR 613. This certification is valid for four years from the date indicated on the final report.

We would like to thank you and your staff for the time, efforts, and assistance provided throughout the certification review process.
