Create a California Culture of Safety

WHAT ARE YOUR IDEAS FOR SAFETY ON OUR ROADWAYS?

California is conducting an update of its Strategic Highway Safety Plan (SHSP) to reduce fatalities and serious injuries on all public roads in California. As part of the update process, the California SHSP update team is seeking public input on how to improve safety on the roadways. Please join us for one - or several - of the following webinars or Safety Summits to let us know your ideas for promoting a culture of traffic safety in our state.
