

The City of Fresno is creating an Active Transportation Plan!

we want to hear from you!

Improve biking and walking in your community!

The plan will identify ways to enhance and expand the network of bicycle and pedestrian travelways and trails in Fresno.

What would get your family and neighbors walking or biking in our city more?

We want to hear what you think are the community's priorities for walking and biking.

Provide your input online:

<http://www.fresno.gov/atp>

Learn about the project, provide your comments and suggestions in an interactive online map, and stay informed as the plan is developed.

Attend the workshop that works for you:
