

# The 2018 Regional Transportation Plan Update Begins

**Join us as we kick off the 2018 RTP update process  
at the first meeting of the new RTP Roundtable**

We invite you to join us in person or by teleconference. The call in number will be posted on the agenda.

**When:**

**Thursday, October 20, 2016, 2:00 - 4:00 p.m.**

**Where: Fresno Council of Governments, Sequoia Conference Room  
2035 Tulare Street, Suite 201, Fresno, CA 93721**

For more information regarding the RTP and update process please call Fresno COG staff at 559.233.4148.

Fresno COG's Regional Transportation Plan (RTP) 2042 charts a long-term course into the future of the Fresno County Region's transportation systems. This plan addresses greenhouse gas emissions reductions, outlining needs, goals and systems that are planned sustainably, with purpose and direction. The Regional Transportation Plan provides the mobility to keeping us moving.

During this kick-off meeting of the RTP Roundtable, a committee formed to help advise and steer the update process, we will likely cover the following topics:

1. Roundtable member roles, responsibilities and meeting ground rules
2. What is an RTP?
3. An explanation of the 2014 RTP's development history and any implementation that has occurred since its passage.
4. A look at current greenhouse gas reduction legislation.
5. Review of the 2018 RTP Timeline and key staff roles.

A final agenda will be available October 13th on the [Fresno COG website calendar](#) and [RTP webpage](#).
