All submissions MUST be complete in order to be reviewed by the Fresno County ALUC, the following is a checklist of items that must be submitted for review:

- ☐ **Project Type** - See Table A below: \_\_\_\_\_  
indicate project type and land use(s) if applicable
- ☐ **Project Description** - Attach a typed project summary, or planning staff report, **TABLE A** below describes what should be included in the Project Description based on the Project Type.
- ☐ **Project Site Location** - Attach a map of the project site, showing the location in proximity to the AIA. This check box may be checked if the map is included in the Project Description.

## TABLE A - PROJECT TYPE

|   | NEW AIRPORT<br>CONSTRUCTION | GENERAL<br>PLAN | SPECIFIC<br>PLAN               | ZONING<br>ORDINANCE    | INDIVIDUAL<br>DEVELOPMENT<br>PROJECT |
|---|-----------------------------|-----------------|--------------------------------|------------------------|--------------------------------------|
|   | AIRPORT<br>EXPANSION PLAN   | MASTER<br>PLAN  | COMPATIBILITY<br>LAND USE PLAN | BUILDING<br>REGULATION |                                      |
| I. Indication (in writing) that the proposed local action is referred to the ALUC for mandatory review under the provisions of the State of California Public Utilities Code. | Y                           | Y               | Y                              | Y                      | N                                    |
| II. Indication (in writing) that the proposed local action is referred to the ALUC for advisory review and comment.   | N                           | N               | N                              | N                      | Y                                    |
| III. Full text of the proposed referring agency action, including whether the action is an amendment to an existing plan, and all dates of original adoption if applicable.   | Y                           | Y               | Y                              | Y                      | N/A                                  |
| IV. Site map of the proposed local action.  | N/A                         | N/A             | N/A                            | N/A                    | Y                                    |
| V. Map(s) and written description including:  | Y                           | Y               | Y                              | N/A                    | Y                                    |
| ① Geographic Area, highlighting the relationship of proposed action to the Airport Influence Area, including all associated site and Assessor's parcel maps.                  | Y                           | Y               | Y                              | N/A                    | Y                                    |
| ② Site plans and elevations, including measurements of structural heights.  | Y                           | Y               | Y                              | N/A                    | Y                                    |
| ③ A description of land uses, densities, and open space conservation for the proposed action.   | Y                           | Y               | Y                              | N/A                    | N/A                                  |
| VI. A copy of any CEQA or NEPA document, noise study, or other environmental evaluation prepared in conjunction with the proposed action.                                     | Y                           | Y               | Y                              | N/A                    | Y                                    |
| VII. A written assurance that a real estate disclosure document will be provided for property offered for sale or lease within the AIA (Aviation Easement).                   | N                           | N               | N/A                            | Y                      |                                      |

Abbreviations: Y - Yes, information is required; N - No, information is not required; N/A - Not applicable
