

Project Description

The Development and Resource Management Department of the City of Fresno is requesting that Text Amendment Application No. TA-17-002 be reviewed by the ALUC.

Text Amendment Application No. TA-17-002 (attached) was initiated pursuant to Fresno City Council Resolution No. 2016-263 and proposes to amend subsections (B) and (C) of Section 15-2750 of the Fresno Municipal Code, relating to recycling facilities. The Text Amendment to the Citywide Development Code proposes to establish zoning and use regulations for CRV Recycling Centers within the City of Fresno. Essentially, the proposed changes will limit CRV Recycling Centers to certain areas within industrial zoned property, require minimum distances between certain uses, including, other CRV Recycling Centers and require that permanent structures be utilized in the operation of a Recycling Center.

The proposed amendment will affect properties within the boundaries of the City of Fresno.
