

The difference between Lyft, Lyft Plus, and Lyft Line, and Lyft Premier

- **Lyft** is an on-demand ride that seats up to four passengers. The lowest cost service.
- **Lyft Plus** is a car that seats 6 or more passengers. More expensive than Lyft
- **Lyft Premier** is a luxury sedan that seats 4 passengers. Only available in LA, SF, NYC
- **Lyft Line** is a ridesharing service that pairs you with other passengers who are traveling along the same route. Similar to a carpool. Available only in LA & San Francisco. Line prices are up to 60% cheaper than regular Lyft- because cost is split with several people.
