Sat	28-Oct	9:00-2:00pm	Consulado Sabatino (Oct 27 too) - During the Consulado Sabatino, several organizations have a booth inside their lobby. They let people in groups of 30-40 come in and while they are waiting for their appointment they are encouraged to visit the booths. At the top of the hour the coordinator invites a representative of each organization to explain briefly about their program/event/activity and encourage people to go around the booths. Since they also have raffle at the top of the hour and people get tickets for going to the booths, in my experience most if not all people visit the booths. You can talk to about 80-120 people in a Saturday depending on how many appointments they have that day.	Booth
