(Ending Balance reflect reserve balances.)

Approximately 3% of Measure C Extension Local Transportation Program funds is provided to local agencies to fund significant improvements to the existing and planned pedestrian and trail systems. This will minimize traffic disruption and maximize safety for trail users and pedestrians.

Pedestrian/Bicycle Trails projects eligible for the Pedestrian/Trails Facilities sub program. Such projects include the following: Pedestrian/Bicycle trail facilities; signage and striping; Master Plan preparation and updates and other Program-related facilities and support facilities.

By January 1, 2012, and again in 2017 and 2021 all participating jurisdictions within Fresno County will have adopted and/or updated a Master Plan or ATP for Pedestrian/Trail Facilities that promotes connectivity within all of Fresno County and its urban areas. If any jurisdiction fails to meet this goal, the earmarked funds for Pedestrian and Trails facilities shall be withheld by the Authority until such time as a jurisdiction is in compliance. Jurisdictions with less than 25,000 population threshold are exempt from the earmarked funds for pedestrian/bicycle trails and earmarked funds for bicycle facilities. Jurisdictions with population threshold of 25,000 - 75,000 may combine the earmarked funds for implementing projects conforming to any of the provided definitions and jurisdictions with a population threshold greater than 75,000 must meet each of the earmark targets for 1) Pedestrian/Bicycle Trails and 2) Bicycle Facilities.

Every five years there will be a compliance test where jurisdictions must certify to the Authority that they have spent their earmark funds, but the time frame allows funds to accumulate up to a five year segment if needed for match purposes or a large project then the spending goals must be met thereafter.

Further clarification of eligible expenditures for the Pedestrian/Trails Facilities Sub Program or the Local Transportation Program can be found in the Measure C Extension Strategic Implementation Plan.
