Fresno COG Policy Board

Date: Thursday, January 31, 2019
Time: 5:30 PM
Place: COG Sequoia Conference Room
2035 Tulare St., Suite 201, Fresno, CA

Americans with Disabilities Act (ADA) Accommodations
The Fresno COG offices and restrooms are ADA accessible. Representatives or individuals with disabilities should contact Fresno COG at (559) 233-4148, at least 3 days in advance, to request auxiliary aids and/or translation services necessary to participate in the public meeting / public hearing. If Fresno COG is unable to accommodate an auxiliary aid or translation request for a public hearing, after receiving proper notice, the hearing will be continued on a specified date when accommodations are available.

AB23 REQUIREMENT: IN ACCORDANCE WITH THE BROWN ACT AND AB23 THE STIPEND AMOUNT PAID TO MEMBERS FOR ATTENDING THIS MEETING OF THE FRESNO COUNCIL OF GOVERNMENTS POLICY BOARD IS $100

AGENDA AND ANNOTATED AGENDA IN PDF FORMATING FOR PRINTING

Exhibits:  

Fresno County Rural Transit Agency Meeting Package - Meeting will follow the Policy Board meeting

Exhibits:  

PLEDGE OF ALLEGIANCE

Fresno COG Policy Board Appointments

Action: Appoint Interim Chair and Interim Vice Chair. Term until March 2019.

I. Sitting as the Fresno County Mayors City Selection Committee

1. Call Meeting to Order and Roll Call

Exhibits:  

2. Approval of the June 28, 2018 Minutes [APPROVE]

Exhibits:  

3. CITY SELECTION COMMITTEE [APPOINT]
4. CITY SELECTION COMMITTEE [APPOINT]

Appoint Chairman of the City Selection Committee, to fill the vacancy of Amapreet Dhaliwal, whose term will expire April 4, 2019. The new term will be April 4, 2019 to April 1, 2021.

5. SAN JOAQUIN VALLEY UNIFIED AIR POLLUTION CONTROL DISTRICT CAC [APPOINT]

Appoint Vice Chairman of the City Selection Committee, to fill the vacancy of David Cardenas, whose term will expire April 4, 2019. The new term will be April 4, 2019 to April 1, 2021.

6. SAN JOAQUIN VALLEY UNIFIED AIR POLLUTION CONTROL DISTRICT CAC [APPOINT]

Appoint one (1) Alternate Member to the San Joaquin Valley Unified Air Pollution Control District Citizens Advisory Committee, effective January 31, 2019 to fill the vacancy of Rey Leon, whose term will expire January 31, 2019. The new term to expire January 31, 2022.

7. AIRPORT LAND USE COMMISSION [APPOINT]

Appoint one (1) Primary Member to the Airport Land Use Commission, effective immediately to fill the vacancy of Rolando Castro, whose term will expire May 6, 2019.

8. AIRPORT LAND USE COMMISSION [APPOINT]

Appoint one (1) Primary Member to the Airport Land Use Commission, effective immediately to fill the vacancy of Rey Remi, whose term will expire May 6, 2019.

9. PUBLIC PRESENTATIONS

This portion of the meeting is reserved for person desiring to address the City Selection Committee on any matter the committee has jurisdiction over which is not on this agenda.

10. ADJOURN CITY SELECTION COMMITTEE

Fresno COG Sitting as the Fresno Council of Governments Policy Board

II. TRANSPORTATION CONSENT ITEMS

About Consent Items:

All items on the consent agenda are considered to be routine and non-controversial by COG staff and will be approved by one motion if no member of the Policy Board or public wishes to comment or ask questions. If comment or discussion is desired by anyone, the item will be removed from the consent agenda and will be considered in the listed sequence with an opportunity for any member of the public to address the Policy Board concerning the item before action is taken.

A. Executive Minutes of November 2, 2018 [APPROVE]

Exhibits:
C. **Fiscal Year 2018-19 Overall Work Program Amendment No. 3 (Les Beshears) [APPROVE]**

**Summary:** In mid-December, Caltrans advised that the 2018-19 Senate Bill 1 (SB1) grant apportionment will be $420,480 which is $12,997 higher than previously anticipated. A local match of $1,684 is required. Caltrans requires SB 1 apportionments to be programmed in dedicated Overall Work Program (OWP) work elements by fiscal year and project. The deadline for programming the increased amount is February 1, 2019. The 2018-19 SB 1 apportionments were initially programmed at the lower amount in work element (WE) 142 Sustainable Communities Planning, WE 146 Better Blackstone and WE 146 Fresno County Trail Master Plan. WE 146 and WE 147 resulted from a split when another project received grant funding, so each work element contains a minimal provision for staff administration. Staff proposes splitting the additional $14,681 in half and programming $7,341 each in staff support for 146 Better Blackstone and WE 146 Fresno County Trail Master Plan.

**Action:** Staff and the TTC/PAC recommend approving fiscal year 2018-19 Overall Work Program Amendment No. 3, increasing the budget $14,681.

D. **2019 Federal Transportation Improvement Program Amendment No. 3 / 2018 Regional Transportation Plan Amendment No. 1 / 2015 Ozone Conformity Analysis (Suzanne Martinez) [INFORMATION]**

**Exhibits:**
- IAC Draft Memo
- Draft Resolution 2019-03

**Summary:** Fresno COG is proposing a draft 2019 Federal Transportation Improvement Program Amendment No. 3 (2019 FTIP Amendment No. 3) and 2018 Regional Transportation Plan Amendment No. 1 (2018 RTP Amendment No. 1), and Draft 2015 Ozone Conformity Analysis. See the enclosed memo and draft resolution for details. Referenced documents are available on the Fresno COG website at fresnocog.org.

The 30-day public review and comment period began January 14 and will end on February 13, 2019. Comments are due by 4:30 p.m. on February 13, 2019. Fresno COG staff held a public hearing on Tuesday, January 29, 2019, although comments have not yet been tallied. The 2019 FTIP Amendment No. 3, 2018 RTP Amendment No. 1, and 2015 Ozone Conformity Analysis are scheduled for adoption at the February 28 Fresno COG Policy Board meeting.

The draft 2019 FTIP Amendment No. 3, 2018 RTP Amendment No. 1, and 2015 Ozone Conformity meet all applicable transportation planning requirements per 23 CFR Part 450, 40 CFR Part 93, and conform to the applicable SIPs. Please contact Suzanne Martinez at 559-233-4148 ext. 240 or smartinez@fresnocog.org with any questions.

**Action:** Information only. The Board may provide further direction at its discretion.

E. **Final Senate Bill 35 Streamlined Ministerial Approval Process Guidelines (Meg Prince) [INFORMATION]**

The California Department of Housing and Community Development (HCD) has released its finalized Streamlined Ministerial Approval Process Guidelines.

Chapter 366, Statutes of 2017 (SB 35, Weiner) requires a streamlined, ministerial approval process for developments in communities that have not yet made sufficient progress toward their regional housing need allocation.

Effective January 1, 2019, these Guidelines establish terms, conditions and procedures for a development proponent to submit an application that is subject to the streamlined, ministerial approval
In addition, HCD will be releasing a series of tools in the coming months to help localities and developers successfully navigate the process.

Additional information can be found on HCD’s 2017 Housing Package website and the final guidelines are available here: http://www.hcd.ca.gov/policy-research/docs/SB-35-Guidelines-final.pdf.

Please contact Meg Prince at mprince@fresnocog.org or (559) 233-4148 x203 with any questions.

**Action:** Information only. The Board may provide further direction at its discretion.

---

**F. Federal Railroad Administration Fiscal Year 2019 Federal-State Partnership for State of Good Repair Notice of Funding Opportunity (Meg Prince) [INFORMATION]**

The Federal Railroad Administration (FRA) has issued a Notice of Funding Opportunity (NOFO) for the FY 2019 Federal-State Partnership for State of Good Repair Program (Partnership Program).

The program supports capital projects to repair, replace, or rehabilitate publicly-owned railroad assets and improve intercity passenger rail performance. The funding is intended to benefit both the Northeast Corridor (NEC) as well as publicly-owned or Amtrak-owned infrastructure, equipment, and facilities located in other areas of the country, including rural communities. Applicants should note that there are different eligibility requirements for NEC and non-NEC projects as outlined in the NOFO. All proposed projects should seek to advance the Administration’s established priorities, which are economic vitality, innovation in project delivery and safety, accountability, and the ability to leverage federal resources.

FRA will award approximately $272 million in total program funding for capital projects. The nonfederal cost share requirement is at least 20 percent, which can be satisfied in public or private resources; however, projects seeking a federal share accounting for less than 50 percent of the total project cost will be prioritized.

The application deadline is 5 p.m. Eastern Standard Time Monday, March 18, 2019.

**Action:** Information only. The Board may provide further direction at its discretion.

---

**G. Affordable Housing Sustainable Communities (AHSC) Technical Assistance Memorandum of Understanding (Meg Prince) [APPROVE]**

**Exhibits:**

Resolution 2019-01

**Summary:** The Strategic Growth Council (SGC) has announced recipients for the Round 4 Affordable Housing and Sustainable Communities (AHSC) Technical Assistance Program. Enterprise Community Partners, Inc. and San Joaquin COG are the leads for the San Joaquin Valley Technical Assistance Team to provide technical assistance for Valley AHSC applicants. Fresno COG’s portion of the technical assistance grant is $3,000.

As the lead agency, San Joaquin COG is requesting a Memorandum of Understanding (MOU) for this collaborative effort. Attached is Resolution 2019-01, intended to allow Fresno COG to bill for its portion of program activities.

For additional information on the AHSC program, please visit http://sgc.ca.gov/programs/ahsc/.

For any questions, please contact Meg Prince at mprince@fresnocog.org or 559-233-4148 Ext. 203 or Trai Her-Cole at traih@fresnocog.org or 559-233-4148 Ext. 205.

**Action:** Staff and the TTC/PAC recommend approving an MOU with San Joaquin COG by signing Resolution 2019-01, allowing for Fresno COG to participate in the AHSC Technical Assistance Program.
Fresno County Political District Maps (Trai Her-Cole) [INFORMATION]

Summary: Want to know who represents you at the various levels of government? Fresno COG has developed an all-in-one map where users can see the legislative representatives at the county (Board of Supervisor district), state (Assembly and Senate districts), and national level (Congressional districts). The free map is now available at Fresno COG's website at www.fresnocog.org under “Latest News.”

Action: Information only. The Board may provide additional direction its discretion.

I. 2019 Environmental Justice Small Grant Solicitation (Trai Her-Cole) [INFORMATION]

Summary: The Environmental Justice Small Grants (EJSG) program awards community-driven projects designed to engage, educate, and empower communities to better understand local environmental and public health issues. Funds may be used to develop strategies for addressing those issues, build consensus in the community, and set community priorities. The EJSG program will award approximately $1.5 million nationwide for this competitive opportunity. The Environmental Protection Agency (ETA) anticipates awarding approximately 50 grants (five per EPA region) of up to $30,000 each.

Given projected increases in extreme weather events and the vulnerability of underserved populations, this opportunity will emphasize projects that address emergency preparedness and increase resilience, as well as projects that consider the needs of US military veterans and homeless populations.

The FY2019 application is now available at FY2019 Request for Proposals - Environmental Justice Small Grant Program

Due Date: 11:59 PM EST, Friday, February 15, 2019.

Eligible applicants:
- incorporated non-profit organizations—including, but not limited to, environmental justice networks, faith-based organizations and those affiliated with religious institutions
- federally recognized tribal governments

Action: Information only. The Board may provide further direction at its discretion.

J. Fiscal Year 2019 Brownfields Multipurpose, Assessment, and Cleanup Grant Request for Proposals (Trai Her-Cole) [INFORMATION]

Summary: The Environmental Protection Agency (EPA) has released guidelines and request for proposals for the FY 2019 Brownfields Assessment Grant Program, Brownfields Cleanup Grants and Brownfields Multipurpose Grants. EPA will award approximately $56 million for these grants: $37 million for an estimated 114 Assessment Grants, $11 million for 40 Cleanup Grants, and $8 million for an estimated 10 Multipurpose Grants at $800,000 each.

The application deadline is January 31, 2019. For more information, please visit https://www.epa.gov/brownfields/solicitations-brownfield-grants.

Action: Information only. The Board may provide additional direction at its discretion.

K. Electric Vehicle Charging Infrastructure Network Plan (Trai Her-Cole) [INFORMATION]

Summary: Fresno COG was awarded a Caltrans Planning Grant to conduct a Fresno County Regional EV Charging Infrastructure Network Plan. The plan will assess existing EV charging programs, program funding goals, current and planned units. It will also include a gap assessment to identify deficiencies in the charging network for publicly accessible units and for regional and interregional units for transit services. The plan will recommend and prioritize site locations to fill the gaps in the charging network along with identified potential funding.

Fresno COG released a request for proposals (RFP) on November 29, 2018, and it was due on
January 9, 2019.

Fresno COG is seeking representatives from the geographic areas and categories listed below who are interested in participating in consultant selection and possibly continued involvement through a Working Group to help steer the project to its completion in early 2020.

- Fresno/Clovis - Andy Haussler
- County –
  - Eastside city – Rob Terry
  - Westside city - Cristian Gonzalez
- Transit – Moses Stites
- Public Health -
- Non-Government Organization – Monte Cox

Those interested in participating in the consultant selection and/or the Working Group, please contact Trai Her-Cole traih@fresnocog.org or (559) 233-4148 x205.

**Action:** Information only. The Board may provide further direction at its discretion.

L. **Housing and Urban Development Fiscal Year 2018 and 2019 Community Compass Technical Assistance and Capacity Building Program NOFA (Trai Her-Cole) [INFORMATION]**

**Exhibits:**
- HUD Grant Opportunity Memo

**Summary:** The U.S. Department of Housing and Urban Development (HUD) has issued a Notice of Funding Availability (NOFA) for the 2018 and 2019 Community Compass Technical Assistance and Capacity Building Program.

The program provides assistance in navigating complex housing and community development challenges by equipping grantees with the skills, tools, and systems necessary to successfully implement federal programs and policies with effective administrative and managerial oversight.

HUD will award approximately $73.5 million in FY 2018 funding and reserves the right to make FY 2019 awards through this solicitation contingent upon the availability of appropriations. HUD expects to issue 20 grant awards, each ranging from $250,000 to $20 million per project period. There is no cost share requirement. The project period is 36 months.

The application deadline is February 14, 2019. Please see the attached memo for more information.

**Action:** Information only. The Board may provide further direction at its discretion.

M. **Triennial Performance Audit Consultant Selection (Jennifer Soliz) [APPROVE]**

**Summary:** The Transportation Development Act (TDA) requires a triennial performance audit of administering agencies such as Fresno COG and transit operators, including FAX, FCRTA, Clovis Public Transit, and Fresno EOC CTSA for fiscal years 2015/16, 2016/17 and 2017/18. Fresno COG released a request for proposals on October 30, 2018, and received two proposals. A selection committee comprising representatives from the four transit operators reviewed the proposals and chose Moore & Associates as the preferred consultant.

**Action:** Staff and the TTC/PAC recommend that the Policy Board approve Moore & Associates as the consultant for the triennial performance audit and authorize Fresno COG’s Executive Director to enter into a contract for an amount not to exceed $50,000.

N. **Annual Progress Reports Technical Assistance (Meg Prince) [INFORMATION]**

**Exhibits:**
- APR Information

**Summary:** Each jurisdiction is required to provide an Annual Progress Report (APR) on its status and progress implementing its general plan’s housing element, using forms and definitions adopted by the
California Department of Housing and Community Development (HCD). The report must be submitted to HCD and the Governor’s Office of Planning and Research on or before April 1 of each year.

For those that did not submit a 2018 APR, there are two upcoming opportunities to receive free technical assistance:

- Fresno COG has been provided with two CivicSpark Fellows working under Paul McDougal from the Department of Housing and Community Development.
- Part of the SB 2 Planning Grant funding was set aside for technical assistance to help agencies prepare for the notice of funding availability this spring/summer.

Please see the attached fact sheet outlining the benefits of submitting the APR. APRs are a threshold for certain state funding, such as Caltrans Planning Grants and SB 2 Planning Grants.

To receive technical assistance, please reach out to Meg Prince at mprince@fresnocog.org or (559) 233-4148 x203.

**Action:** Information only. The Board may provide further direction at its discretion.

O. **Community Development Block Grant Program for Non-Entitlement Jurisdictions: Notice of Funding Availability (Trai Her-Cole) [INFORMATION]**

**Summary:** The California Department of Housing and Community Development (HCD) is pleased to announce the availability of $29.6 million in federal Community Development Block Grant (CDBG) funding allocated for funding year 2018 to the state from the U.S. Department of Housing and Urban Development (HUD), pursuant to the Housing and Community Development Act of 1974, as amended.

This NOFA only applies to CDBG non-entitlement cities and counties applying for funding under the Community Development (CD) Allocation and Special Allocations for Economic Development (ED), Colonia, and Native American communities that are non-federally recognized tribes.

The submittal deadline for 2018 Program NOFA applications and required attachments has been extended to no later than 5:00 p.m. Pacific Standard Time on February 26, 2019 (Tuesday).

**Action:** Information only. The Board may provide further direction at its discretion.

P. **Urban Greening Program Concept Proposal Solicitation (Trai Her-Cole) [INFORMATION]**

**Summary:** The California Natural Resources Agency will be accepting concept proposals for the Urban Greening Program from January 8, 2019 through February 28, 2019. Approximately $19.0 million in awards will be funded by this program. Applicants submitting the most competitive proposals will be invited to participate in the next level of the competitive process, anticipated Spring 2019.

Eligibility and program requirements, including online submittal information, can be found at: [http://resources.ca.gov/grants/urban-greening/](http://resources.ca.gov/grants/urban-greening/).

**Technical Assistance Workshop**

January 31, 2019 at 1:00 pm - 4:00 pm
City of Sanger, City Council Chambers
1700 17th Street, Sanger, CA 93657
RSVP (recommended) using the following link: [https://goo.gl/forms/9XIvUbXu2RgMZ6o1](https://goo.gl/forms/9XIvUbXu2RgMZ6o1) OR at (916) 653-2812 OR at urbangreening@resources.ca.gov

**Action:** Information only. The Board may provide further direction at its discretion.

Q. **Environmental Protection Administration Fiscal Year 2019 Clean Diesel Funding Assistance Program Request for Application (Trai Her-Cole) [INFORMATION]**
Summary: The U.S. Environmental Protection Administration (EPA) Office of Transportation and Air Quality has issued a request for applications for the 2019 Clean Diesel Funding Assistance Program.

The grant supports projects that achieve significant diesel emissions reductions, especially those from fleets operating at goods movement facilities located in designated areas of poor air quality.

EPA will award approximately $40 million. The agency expects to award from two to eight cooperative agreements per regional office. The maximum federal cost share will vary by the types of eligible activities and emissions reduction solutions proposed.

The application deadline is March 6, 2019. The full request is available at [https://www.epa.gov/grants/clean-diesel-funding-assistance-program-fy-2019](https://www.epa.gov/grants/clean-diesel-funding-assistance-program-fy-2019).

Action: Information only. The Board may provide further direction at its discretion.

R. **Department of Transportation Fiscal Year 2019 INFRA Grant Program Notice of Funding Opportunity (NOFO) (Trai Her-Cole) [INFORMATION]**

Summary: The U.S. Department of Transportation (DOT) has issued its Notice of Funding Opportunity (NOFO) for the 2019 Nationally Significant Freight and Highway Projects Program, also known as the Infrastructure for Rebuilding America (INFRA) Program, which provides assistance for nationally or regionally significant highway and freight projects.

DOT expects to award approximately $855 million to $902.5 million. *The Fixing America’s Surface Transportation (FAST) Act* authorized $950 million in FY 2019 funding.

DOT will award grants of at least $25 million for large projects and grants of at least $5 million for small projects. The Department will award 90 percent of funds for large projects and 10 percent of funds for small projects. Additionally, there is a rural set-aside of at least 25 percent.

Action: Information only. The Board may provide further direction at its discretion.

S. **Department of Transportation Fiscal Year 2019 Automated Driving System Demonstration Grants Notice of Funding Opportunity (Trai Her-Cole) [INFORMATION]**

Summary: The U.S. Department of Transportation (DOT) has issued a Notice of Funding Opportunity (NOFO) for Automated Driving System (ADS) Demonstration Grants.

The goals of the demonstration are to gather significant safety data to inform future federal policy, foster collaboration amongst state and local government and private partners, and test and promote safe integration on our nation’s roads. DOT will prioritize projects in spaces where cost, risk, or complexity is too significant for any single private sector entity to address or where a lack of private sector investment has proven insufficient to support particular groups (e.g. access for individuals with disabilities).

DOT will award approximately $60 million in total program funding. The performance period will depend on the project scope; however, DOT expects that performance periods will generally range from one to four years. The application deadline is March 21, 2019. The full NOFO is available at [https://www.grants.gov/web/grants/view-opportunity.html?oppId=310839](https://www.grants.gov/web/grants/view-opportunity.html?oppId=310839).

Action: Information only. The Board may provide further direction at its discretion.

T. **Obligational Authority and Project Delivery Update (Jennifer Soliz) [INFORMATION]**

Summary: Each federal fiscal year the Fresno region must meet obligation authority (OA) delivery targets for federal transportation funding programs and comply with AB 1012’s “use it or lose it” provisions, which require the region to obligate Congestion Mitigation Air Quality (CMAQ) and Surface Transportation Block Grant funding (STBG) within three years of receiving apportionments.

At the end of FY 2018, the Fresno region delivered $19,991,164, or 97 percent, of its authorized
allocation. Since -- unlike previous years -- the region did not exceed its delivery target, it was unable to take advantage of additional August redistribution funding. The balance of $613,054 will be added to the 2018/19 OA target. As of October 31, 2018, $1,795,581 of CMAQ and STBG was deobligated, which increased the region's 2018/19 OA target balance to $25,222,557.

In preparing for the 2018/19 OA delivery plan that is due to Caltrans on April 1st, COG staff met with all of the member agencies in October to discuss project status. The region is on track to hit its OA target for FFY 2018/19; however, we have approximately $10 million of projects at risk due to various delivery obstacles such as right-of-way acquisition, utility relocations and environmental issues. Approximately $7 million in projects can potentially be expedited and delivered early to help offset the at-risk projects. COG staff will continue working with each member agency to ensure that projects planned for obligation in 2018/19 are obligated on time.

Please keep COG staff updated on any changes to programmed projects that could possibly impact the region's project delivery plan. If you have any questions regarding the federal fiscal year deadlines or process of obligating project funds, please contact Jennifer Soliz at 559-233-4148 ext. 223 or jsoliz@fresnocog.org.

**Action:** Information only. The Board may provide further direction at its discretion.

### III. TRANSPORTATION ACTION/DISCUSSION ITEMS

#### A. Fresno COG Tribal Consultation Plan (Trai Her-Cole) [APPROVE]

**Exhibits:**
- Tribal Consultation Plan

**Summary:** Executive Order 13175, Consultation and Coordination with Indian Tribal Governments (November 6, 2000), requires regular and meaningful coordination with federally recognized tribes. Title 23 CFR part 450 requires MPO to consult, as appropriate, with state and local agencies responsible for land use management, natural resources, environmental protection, conservation, and historic preservation. Furthermore, FTA, FHWA and Caltrans have all recommended that Fresno COG developed a Tribal Consultation Plan. The attached Tribal Consultation Plan outlines the minimum protocol for conducting government-to-government consultation regarding planning and programming activities with tribes, identifies strategies for outreach and specific documents that require tribal coordination.

The three federally recognized tribes in Fresno County are Big Sandy Rancheria of California, Cold Springs Rancheria of Mono Indians of California, and Table Mountain Rancheria of California. Although consultation is not mandated for non-federally recognized tribes, this does not preclude Fresno COG from consulting with local, non-federally recognized tribes when plans or activities might impact cultural values or the community.

In preparing this document, FCOG staff reached out to all three tribes and met with two (Table Mountain and Big Sandy) to discuss infrastructure and priority safety needs, pipeline projects, collaboration and partnerships for funding requests. Fresno COG staff strives to continue to conduct extensive outreach to the tribes, provide an update and maintain an active positive line of communication. The strategies outlined in the consultation plan are further implemented through Fresno COG's Public Participation Plan for engaging disadvantaged communities and Title VI Limited English Proficiency Plan. The plan will be included as an appendix to the FCOG Overall Work Program (OWP). Outreach and engagement will be documented and updated annually as part OWP under Work Element 313 and each year thereafter.

**Action:** Staff, TTC and PAC recommend approving the Fresno COG Tribal Consultation Plan.

#### B. Fresno County Regional Transportation Network Vulnerability Assessment Consultant Selection (Meg Prince) [APPROVE]

**Exhibits:**
- TNVA Scope of Work

**Summary:** Fresno COG was awarded a 2018-19 Caltrans Adaptation Planning Grant to develop a...
C. **Freeway Service Patrol Contract Approval (Suzanne Martinez) [APPROVE]**

**Summary:** Fresno COG's most recent Freeway Service Patrol (FSP) contractor abruptly resigned in October 2018, sparking the need to re-advertise an FSP request for proposals (RFP).

Fresno COG's RFP for the 40-month period was mailed to 60 towing companies on the California Highway Patrol Fresno County tow rotation list and posted on the Fresno COG website.

The previous contract covered a five-year period. This contract will provide FSP service for the remaining months in the previous contract. One slight change introduces a requirement for GPS tracking of the FSP fleet. Other aspects of the program remain unchanged. There will still be four beats along each of the major freeways in the City of Fresno: SR 41, 99, 168 and 180, running Monday through Friday (excluding holidays) that will provide service during peak traffic congestion, from 7 a.m. to 9 a.m., and from 3:30 p.m. to 6:30 p.m.

The following companies submitted a proposal by the December 8, 2018 deadline:

- Reyna Towing
- All Knight Towing

The FSP partners' selection committee (Fresno COG, Caltrans District 6, and the California Highway Patrol, plus a member from the private sector) interviewed both companies on Thursday, December 13, 2018, and recommended Reyna Towing based on enthusiasm, company strength and experience, and provision for all-new trucks. The contract shall not exceed $1,534,560 for the 40-month period.

**Action:** The FSP partner selection committee and TTC/PAC recommend that the Policy Board authorize the executive director to sign a contract with Reyna Towing for an amount not to exceed $1,534,560 for the period March 4, 2019, through June 30, 2022.

D. **2019 Safety Performance Targets (Lang Yu) [APPROVE]**

**Summary:** The Moving Ahead for Progress in the 21st Century (MAP-21) and the Fixing America’s Surface Transportation Act (FAST Act) require metropolitan planning organizations (MPOs) to set targets for a series of transportation-related performance measures. Last year, the 2018 safety targets (PM1) were established and approved and included in the 2018 Regional Transportation Plan (RTP). Since it is an annual target, Fresno COG's 2019 safety performance targets need to be set by February 2019 for the following five performance measures:

- Number of fatalities
- Rate of fatalities per 100 million vehicle miles traveled (VMT)
- Number of serious injuries
- Rate of serious injuries per 100 million VMT
Fresno COG organized a safety target subcommittee to discuss the target options and recommendations. City of Fresno, City of Clovis, County of Fresno and Caltrans attended the committee meeting. Committee members considered three options, including using the state's target, evidence-based targets and maintaining the 2017 level. Upon analysis of recent trends, the committee recommended supporting the statewide targets for 2018 for all five safety performance measures. The statewide target is an aspirational goal consistent with the California Strategic Highway Safety Plan (SHSP), aiming for a 3 percent annual reduction for fatalities and 1.5 percent annual reduction for serious injuries. Staff will make a short presentation to demonstrate the recent trends and target options.

**Action:** Staff and TTC/PAC recommends adopting the statewide targets for all five safety performance measures for 2019.

**E. Measure C Transit-Oriented Development Program Cycle VII Call for Projects (Kristine Cai/Trai Her-Cole) [INFORMATION]**

**Exhibits:**
- Policy & Guidelines
- Application Package

**Summary:** Measure C's Transit-Oriented Development (TOD) Program was established to boost transit ridership and encourage transit-supportive land use, such as higher-density development and mixed uses. TOD program projects serve as models that reduce vehicle trips, improve air quality and provide access to physical activity opportunities through integrated land use and transportation.

The TOD program is estimated to receive $16.9 million over its 20-year lifespan, with approximately $850,000 accrued annually. More than $7 million has been granted to projects for the last six funding cycles since 2012. In 2017, both the Fresno COG Policy Board and the Fresno County Transportation Authority Board approved the revised TOD program guidelines that allow the jurisdictions from the entire county to compete for the funding. Language addressing project delivery was added in 2018. The revised TOD Program policies and guidelines are attached for your reference and can be found on Fresno COG’s website at https://www.fresnocog.org/measure-c-transit-oriented-development/

The TOD program Cycle VII call for projects opened on January 11, 2019, and applications are due on February 28, 2019. There is approximately $2 million available for Cycle VII. Attached is the application package.

**Action:** Information only. The Board may provide further direction at its discretion.

**F. Senate Bill 743 Local Assistance Program (Kristine Cai) [INFORMATION]**

**Summary:** Senate Bill 743 (SB 743) requires that level of service (LOS) be replaced under existing California Environmental Quality Act (CEQA) law with a metric that can promote greenhouse gas emission reduction, help develop a multi-modal transportation system and a rich variety of land use development. The Governor's Office of Planning & Research (OPR) recommended vehicle miles traveled (VMT) as the metric to measure the transportation impacts under CEQA. The CEQA guideline updates have been approved in December 2018. SB 743 is expected to take effect statewide on July 1, 2020. The switch from LOS to VMT will have profound impacts on how local governments and other public agencies approve land use and transportation projects.

To better assist local governments in Fresno County with the SB 743 implementation, Fresno COG has developed a SB 743 Local Assistance Program intended to ease the transition to the VMT metric. Fresno COG hosted an SB 743 workshop on January 8, 2019, to address the guidelines and the implementation process. Several speakers who have been extensively involved in the process shared their perspectives and experiences. Fresno COG has reserved SB 1 formula planning funding to potentially develop a set of regional guidelines for SB 743 implementation should the member agencies request it. The regional guidelines will be customizable and adaptable by cities of different sizes. Fresno COG's modeling staff will be able to provide assistance for VMT calculation when the cities/County decides on the metric and thresholds for their jurisdictions.

Both TTC and PAC directed COG staff to develop regional guidelines to assist local governments in the SB 743 implementation.
Action: Information only. The Policy Board may provide further direction at its discretion.

IV. **ADMINISTRATIVE CONSENT ITEMS**

**About Consent Items:**

All items on the consent agenda are considered to be routine and non-controversial by COG staff and will be approved by one motion if no member of the Policy Board or public wishes to comment or ask questions. If comment or discussion is desired by anyone, the item will be removed from the consent agenda and will be considered in the listed sequence with an opportunity for any member of the public to address the Policy Board concerning the item before action is taken.

A. **2019-20 Draft Overall Work Program (Robert Phipps) [INFORMATION]**

**SUMMARY:** The Overall Work Program (OWP) is an annual administrative document developed to meet state and federal guidelines. Projects requested by local, state and federal agencies that address regional issues and concerns are included in order to provide a comprehensive overview of the annual Fresno COG program. Project scope is limited by available funding. A rough draft of the 2019-20 OWP without a preliminary budget can be reviewed at https://db.tt/GXklYcmkQw.

Agencies are encouraged to submit appropriate projects to Fresno COG staff for possible inclusion in the FY 2019-20 OWP. These proposals may include but are not limited to:

- Freight and rail studies
- Corridor or interchange studies
- Transit studies or plans and
- Requests for technical assistance.

Requests should be submitted in writing to the Executive Director no later than January 31, 2019. All requests will be reviewed for project eligibility and budgetary impacts. Eligible projects will be included in the preliminary Overall Work Program that will be presented to Fresno COG’s Board in February 2019.

**ACTION:** Information only. The Board may provide further direction at its discretion.

B. **DRAFT 2019 Fresno Council of Governments Legislative Platform (Trai Her-Cole) [INFORMATION/DISCUSSION]**

**Exhibits:**

[Legislative Platform]

**Summary:** Fresno COG’s legislative platform includes advocacy priorities in state and federal legislative matters. It provides a consistent, reliable voice when communicating legislative priorities to our state and federal lawmakers as well as to relevant state and federal agencies. It also offers Fresno COG staff and advocacy partners guidance when advocating on behalf of the Policy Board. Attached is the draft 2019 legislative Platform for review and comment.

**Action:** Information. The Board may provide additional direction at its discretion.

C. **Monthly Legislative Report (Trai Her-Cole) [INFORMATION]**

**Exhibits:**

[Legislative Report]

**Summary:** Attached is the current legislative report for the California State Legislature 19-20 session and federal report from Simon and Company. To locate current and past-year state bill information go to the Official California Legislative Information webpage at [http://www.leginfo.ca.gov/](http://www.leginfo.ca.gov/)
To locate current and past-year federal bill information go to THOMAS, the Library of Congress’s bill information website at http://thomas.loc.gov/

**Action:** Information only. The Board may provide further direction at its discretion.
