Approximately 3.99% of the Measure C Extension Regional Public Transit Program is provided to Fresno County Rural Transit Agency to fund Primary and Secondary Transit Programs. The goal of the Primary Program is to improve the level of public transit services within Fresno County Unincorporated Area and to continue to seek ways to coordinate and/or consolidate services in order to achieve a seamless transit system to the public.

Eligible projects to the Primary Program would be to install and integrate a regional automated farebox system to enhance transit coordination and seamless passenger travel between transit systems; expand intra-city services to improve demand responsive paratransit service frequencies to the elderly, disabled, low-income, and youth of rural Fresno County consistent with federal and state law; complete fleet conversion to low emissions buses; deploy other operational and infrastructure improvements such as construction of a dispatch terminal, utilizing intelligent transportation system technology such as safety surveillance cameras and global positioning systems to provide better services within and between the rural incorporated cities and unincorporated communities; expand inter-city service to improve scheduled fixed-route service frequencies to address trips for employment; implement an unincorporated County area shuttle program; implement escort medical transit service program; expand transit services to the Eastside and Westside transit terminal facilities with compressed natural gas and hydrogen refueling stations and reduced general public transit fares to Seniors 65 years of age and older.

The goal of the Secondary Program are improvements that will be funded after Primary Programs are completed provided that funding is available. Eligible projects would be to provide a Taxi Scrip Program for seniors 70 years or older.
