RE: Draft 2019 FTIP Amendment No. 12, Draft 2018 RTP Amendment No. 3, and Corresponding Draft Conformity Analysis

The Fresno Council of Governments (Fresno COG) is proposing a Draft 2019 Federal Transportation Improvement Program Amendment No. 12 (2019 FTIP Amendment No. 12) and 2018 Regional Transportation Plan Amendment No. 3 (2018 RTP Amendment No. 3) and corresponding Draft Conformity Analysis. Associated documentation is attached as indicated below.

- Project Listings: **Attachment 1** includes a summary of programming changes that result from Amendment No. 12 to the 2019 FTIP. The attachment also includes the FresnoTrak printouts for the projects with changes to the 2019 FTIP via Amendment No. 12. Amendment No. 12 is necessary to make funding, open to traffic date, and scope changes to regionally significant, capacity increasing projects. This amendment also adds and deletes project phases and line item projects.
- Updated Financial Plan: **Attachment 2** includes the updated Financial Plan from the 2019 FTIP Amendment No. 12 to include the project list as provided in Attachment 1.
- 2018 RTP Amendment No. 3: **Attachment 3** includes a summary of programming changes to the 2018 RTP with the updated corresponding project list and financial table updates. Draft RTP Amendment No. 3 is necessary to reflect funding, open to traffic date, and scope changes to regionally significant, capacity increasing projects. The amendment changes are consistent with the design concept and scope or schedule of existing regionally significant projects, and does not change the time frame of the transportation plan. An Environmental Impact Report Supplement is not necessary as the project changes remain consistent with the 2018 RTP/SCS EIR.
- Conformity Requirements: **Attachment 4** includes the conformity analysis to support a finding that 2019 FTIP Amendment No. 12 and 2018 RTP Amendment No. 3 meet the air quality conformity requirements for carbon monoxide, ozone, and particulate matter. In addition, the projects and/or project phases contained in the amendment do not interfere with the timely implementation of any approved TCMs.
- Public Involvement: **Attachment 5** includes the Draft Public Notice, Proof of Publication and the Adoption Resolution.

The public review and comment period is open for 30 days commencing on September 3, 2020 and ending on October 2, 2020. A public hearing will be held on September 16, 2020 at 5 p.m.; all comments are due by 5 p.m. on October 2, 2020. These documents can also be viewed on the Fresno COG website at www.fresnocog.org.

At their Sept. 24, 2020 regular meeting, staff will request delegated authority from the Fresno COG Policy Board authorizing Fresno COG's Executive Director to approve the documents, via resolution, upon the close of the public comment period and review of all comments. Upon the Executive Director's approval, the documents will then be submitted to state and federal agencies for approval.

In conclusion, the Draft 2019 FTIP Amendment No. 12, 2018 RTP Amendment No. 3, and corresponding Conformity Analysis meet all applicable transportation planning requirements per 23 CFR Part 450, 40 CFR Part 93, and conform to the applicable SIPs.

DRAFT PUBLIC NOTICE AND ADOPTION RESOLUTION

**NOTICE OF PUBLIC MEETING ON THE
DRAFT 2019 FEDERAL TRANSPORTATION IMPROVEMENT PROGRAM
AMENDMENT #12,
DRAFT 2018 REGIONAL TRANSPORTATION PLAN AMENDMENT #3,
AND DRAFT CORRESPONDING CONFORMITY ANALYSIS**

Fresno Council of Governments (Fresno COG) herein provides notice that it will hold a public hearing at 5 p.m. on Sept. 16, 2020 regarding the Draft 2019 Federal Transportation Improvement Program Amendment No. 12 (2019 FTIP Amendment No. 12), Draft 2018 Regional Transportation Plan Amendment No. 3 (2018 RTP Amendment No. 3), and the Draft Corresponding Air Quality Conformity Analysis. Due to the State of California's public health guidelines related to the COVID-19 pandemic and pursuant to Executive Order N-29-20, this public hearing will be held via webcast. In-person attendance is not be permitted. Details for how to participate will be published in the meeting agenda at <https://agendas.fresnocog.org/>

The hearing officer will receive public comments on these documents.

- The 2019 FTIP is a near-term listing of capital improvement and operational expenditures using federal and state monies for transportation projects in Fresno County during the next four years. The 2019 FTIP Amendment No. 12 makes funding, open-to-traffic-date, and scope changes to regionally significant, capacity-increasing projects. This amendment also adds and deletes project phases and line-item projects.
- The 2018 RTP is a long-term strategy to meet Fresno County transportation needs through 2042. The 2018 RTP Amendment No. 3 reflects funding, open-to-traffic-date, and scope changes to regionally significant, capacity-increasing projects. The amendment's changes are consistent with regionally significant projects' design concept, scope, or schedules, and do not change the plan's timeframe. Changes proposed in the 2018 RTP Amendment #3 continue to adhere to Conformity budgets, and therefore does not require a supplemental Environmental Impact Report (EIR).
- The Corresponding Conformity Analysis contains the documentation to support a finding that the 2019 FTIP Amendment #12 and 2018 RTP Amendment #3 meets the most recent air quality conformity requirements for ozone and particulate matter.

Translation services are available (with three-working-days' advance notice) to participants speaking any language with available professional translation services.

A 30-day public review and comment period will commence Sept. 3 and conclude on Oct. 2, 2020. The draft documents are available for review at www.fresnocog.org. *Fresno COG's office is closed due to Executive Order N-29-20; however, a hard copy will be provided upon request.*

Public comments are welcomed at the meeting or may be submitted in writing by 5 p.m. Oct. 2, to Kristine Cai at the address below.

At their Sept. 24, 2020 regular meeting, staff will request delegated authority from the Fresno COG Policy Board authorizing Fresno COG's Executive Director to approve the documents, via

resolution, upon the close of the public comment period and review of all comments. Upon the Executive Director's approval, the documents will then be submitted for state and federal approval.
