Additional Information

Please briefly explain why you are interested in serving on the Citizen Oversight Committee. I moved my 77 y'o' disabled mother to CA from IN. She is w/c dependent, on Oxygen, and as a wealth of health problems. In the span of 2 years, we have taken her to probably close to 100 healthcare-related appts. While I was thankful for a service that would accommodate her a) fixed income and b) support her transportation needs, I experienced many operational/logistics issues when scheduling her appts., as well as, securing her scripts. My experience as a RN of 30 years, Taxi-Script consumer, and caregiver could bring value-add to this committee.

List past/present professional/community affiliations, including any elected positions previously held (please list dates served):

Central Valley Black Nurses Assoc. (Past President) and Member, National Black Nurses Assoc. (Lifetime Member); Fellow and Member Amer. College of Healthcare Execs (FACHE); Amer. RE: Community Organization Letter of Recommendation

Someone once said, *"Evil prevails when good men do nothing"* Unknown Author. We, here at the Central Valley Black Nurse's Association (CVBNA), would like to include women which is why we are pleased to recommend one of our members, Mrs. Carla T. Stanley to serve as a representative on The Measure C Oversight Committee (COC).

The CVBNA is proud to partner with you in the sharing of the time, talent and treasures of our member. She brings with her, a dearth of business, clinical and community experience that can be leveraged to support The Measure C Program e.g.

- Served as past president to the CVBNA. In this role, she injected lots of great ideas e.g. increasing membership attendance by offering Zoom Meetings. This was even before the pandemic hit.
- A Registered Nurse (RN) for 30 years, once licensed in 7 different states, she understands and has represented the needs of many communities, including Black, Indigenous and People of Color (BIPOC). For example, right now she acts as a Nurse Consultant for a vaccination clinic here in Fresno.
- Carla understands the importance of staying relevant in healthcare and is a member of the NBNA, CVBNA, ACHE, AONL, and ANA/C. Additionally, she is multi-board certified, has her undergraduate degree in Nursing and her graduate degree in Business with a focus in Healthcare.
- Carla has a spirit of volunteerism, serving on committees and boards such as UCSF/Preterm Birth Initiative Community Advisory Board (CAB); Be My Eyes for the Blind; When We All Vote Team Captain; J&J Quickfire Challenge Research Reviewer for Covid-19 and later Behavioral Health; American College of Healthcare Executive (ACHE), and American Nurses Association (ANA/C) Leadership Mentoring Network Volunteer but most importantly, Carla believes in the need for informed individuals, like herself, to advocate for the less-informed.

Like many, Carla is a caregiver for a disabled parent, as well as, an educator and healthcare mediator to her family and friends. Some of which have benefited from The Measure C Program. Carla has seen, first-hand, what a great program this is, but she also knows that there is room for improvement. She believes in being part of the solution and not part of the problem.

I could elaborate further on the skill-set, education/training, and business acumen of Mrs. Stanley but I feel that I have made the case as to why you would be remiss not to pick her as COC Committee Member.

Please do not hesitate to contact me for further testimonials of Carla's abilities. I may be reached at 559-824-1798 or email me at ofloyd@sbcglobal.net

Warm Regards,

Ozena Floyd, RN, President
