

Unmet Transit Needs Survey 2022

Welcome!

Public input and feedback are a critical part of the Unmet Transit Needs (UTN) process. In partnership with local transit providers, the Fresno Council of Governments (Fresno COG) is collecting public comments on unmet transit needs for Fresno County. All comments are due by XX/XX/XXXX and will be considered part of the 2022 UTN assessment.

The UTN assessment is held each year to identify unmet transit needs that are “reasonable to meet” that are not already being met through existing public transit services with available funding.

Please assist us by completing the survey on the next page to identify unmet transit needs in Fresno County.
