Dear Measure C Citizens Oversight Committee,

It is my pleasure to recommend Mrs. Shannon Avilla to represent First Steps Recovery, on the Measure C Citizen Oversight Committee.

My name is Kirsten Lange, I graduated Summa Cum Laude from Colorado Mesa University with a Bachelor of Arts in Counseling Psychology and have over 20 years of experience working in the recovery community. Presently, I am the Outpatient Director of First Steps Recovery Center in Clovis, California.

As you know First Steps Recovery is a full-continuum program specializing in addiction treatment recovery. We provide clients in Fresno County with all the of resources they need to begin treatment from drug and alcohol addiction, recovery from that addiction, as well as provide the tools to help them learn how to enjoy life again.

I support Shannon to represent First step Recovery, as she has the education, experience, and passion to ensure Measure C Oversight compliance while providing initiative ideas that could further support Measure C initiatives. Shannon has earned a Master of Science in Regulatory Science, which aims to ensure safety of medical research, pharmaceuticals, and medical devices. Additionally, she has spent several years working in logistics with various companies and she understands the intricacies of transportation. Lastly, its Shannon's passion for solving problems and her creative approach to root cause analysis, I feel could benefit both the committee and our organization.

I am confident that Shannon's character, integrity, and work ethic will be an excellent addition on this committee. Feel free to contact me at 559-556-5021 or KirstenL@firststepsrecovery.com if you have questions or would like me to elaborate further on Shannon's ability to represent us on the Measure C Oversight Committee.

Sincerely,

A handwritten signature in black ink that reads "Kirsten Lange". The signature is written in a cursive, flowing style.

Kirsten Lange
