

UTN Online Survey

Welcome!

Public input and feedback is a critical part of the Unmet Transit Needs (UTN) process. In partnership with local transit providers, the Fresno Council of Governments (Fresno COG) is collecting public comments on Unmet Transit Needs for Fresno County. All comments are due by March 24, 2023, at 5:00 p.m. and will be considered part of the 2023 UTN assessment.

The UTN assessment is held each year to identify unmet transit needs that are reasonable to meet that are not already being met through existing public transit services with available funding.
