

Legend - Summary of Projects Subject to Sanction

Total

Projects seeking obligation in 2024, likely unable to advance RFA to 2023.
Typically, this means projects seeking obligation April 2024 or later, and would not be able to advance obligation without dealing with mandatory timelines for contract award.

Projects seeking obligation in early 2024, that may be able to advance RFA to 2023.

Projects on the cusp of the sanctions timeline that could potentially obligate before sanctions start.

Projects are currently undergoing the obligation process, or obligating in 2023.

Obligations are expected to be approved before December 27, 2023.

All Other Projects Will Not be Impacted by Sanction - Projects that have been obligated and are in
