Projects eligible under this Category include projects or programs that match the following recommended definition of "street and highway maintenance, rehabilitation, reconstruction, and storm damage repair." A "program" is defined as a group or category of projects such as slurry seal projects, patching projects, etc. An appropriate percentage or pro-ratio of maintenance/rehabilitation equipment, audit, and overhead costs attributable to projects or programs under the Measure C Street Maintenance/Rehabilitation Category is an eligible expense. Per AB 2958 (Prop 42) language for local agency allocations (Revenue and taxation code, Section 7104 (e)). Funds allocated to a city, county shall be used only for street and highway maintenance rehabilitation, reconstruction and storm damage repair. For purposes of this Street Maintenance Sub Program the following terms have the following meanings: Maintenance means either or both of the following:

Patching or spot repair in the existing pavement such as pothole patching, grinding and resurfacing, or total reconstruction of a failed pavement section for a small area or dig-out and Overlay and/or Sealing. Reconstruction includes any overlay, sealing, or widening of the roadway, if the widening is necessary to bring the roadway width to the desirable minimum width consistent with the geometric design criteria of the department for reconstruction, resurfacing, and rehabilitation projects that are not on a freeway but doesn't include widening for the purpose of increasing the traffic capacity of a street or highway.

Storm Damage repair is repair or reconstruction of local streets and highways and related drainage improvements that have been damaged due to winter storms and flooding and reconstruction of drainage improvements to mitigate future roadway flooding and damage problems in those jurisdictions that have been declared disaster areas by the President of the United States.

For further detail on eligible expenditures of the Street Maintenance Sub Program or further definitions and guidelines of the Local Transportation Program please refer to the Measure C Extension Strategic Implementation Plan.

(Balance to be held in reserve.)

Local agencies will receive 1.75% of Measure C Extension Local Transportation Funds over 20-years for ADA compliance including curb cuts and ramps to remove barriers, as well as other special transportation services for jurisdictions to meet the current requirements of the Americans with Disabilities Act (ADA). Communities already in compliance would not have to meet this mandate and jurisdictions that receive less than \$200,000 annually from the total local transportation program would also be exempt from this provision.

Projects eligible under this Category must deal with ADA compliance issues and include: curb cuts and ramps to remove barriers; striping and other special transportation services (that "non-compliance" ADA projects).

For further detail on eligible expenditures of the ADA Compliance Sub Program or further definitions and guidelines of the Local Transportation Program refer to the Measure C Extension Strategic Implementation Plan.

FY20/21 Pedestrian/Trails Facilities Ending Balance: \$ 144,581.49
(Ending Balance reflect reserve balances.)

Approximately 3% of Measure C Extension Local Transportation Program funds is provided to local agencies to fund significant improvements to the existing and planned pedestrian and trail systems. This will minimize traffic disruption and maximize safety for trail users and pedestrians.

Pedestrian/Bicycle Trails projects eligible for the Pedestrian/Trails Facilities sub program. Such projects include the following: Pedestrian/Bicycle trail facilities; signage and striping; Master Plan preparation and updates and other Program-related facilities and support facilities.

By January 1, 2012, and again in 2017 and 2021 all participating jurisdictions within Fresno County will have adopted and/or updated a Master Plan or ATP for Pedestrian/Trail Facilities that promotes connectivity within all of Fresno County and its urban areas. If any jurisdiction fails to meet this goal, the earmarked funds for Pedestrian and Trails facilities shall be withheld by the Authority until such time as a jurisdiction is in compliance. Jurisdictions with less than 25,000 population threshold are exempt from the earmarked funds for pedestrian/bicycle trails and earmarked funds for bicycle facilities. Jurisdictions with population threshold of 25,000 - 75,000 may combine the earmarked funds for implementing projects conforming to any of the provided definitions and jurisdictions with a population threshold greater than 75,000 must meet each of the earmark targets for 1) Pedestrian/Bicycle Trails and 2) Bicycle Facilities.

Every five years there will be a compliance test where jurisdictions must certify to the Authority that they have spent their earmark funds, but the time frame allows funds to accumulate up to a five year segment if needed for match purposes or a large project than the spending goals must be met thereafter.

Further clarification of eligible expenditures for the Pedestrian/Trails Facilities Sub Program or the Local Transportation Program can be found in the Measure C Extension Strategic Implementation Plan.
