3. CONSENT ITEMS

A. Approve Minutes of March 28, 2024 [ATTACHMENT]

B. Low Carbon Transit Operations Program Application [APPROVE]

Summary: FCRTA was recently notified of our annual funding allocation from the Low Carbon Transit Operations Program (LCTOP) through Caltrans. The allocation amount of \$597,699 will be used for site work at the new FCRTA maintenance and operations facility.

Action: Staff recommends Board approval of Resolution No. 2024-01 and 2024-02.

C. Grant Agreement Conflict Waiver for Representation of FCRTA and FCOG [APPROVE]

Summary: FCRTA was awarded a grant through the FCOG Transportation Network Company Access for All (AFA) Grant Program to purchase a vehicle to support the Rural Transit Dial-a-Ride expansion. As part of the grant procedures, FCRTA will enter into an agreement with FCOG as the administrator of the grant funding. The Office of Fresno County Counsel provides legal services to FCRTA, and also represents FCOG with regard to the drafting and review of the agreement. One of the office's deputy county counsels already provides legal representation to the FCRTA in all matters, pursuant to a legal services agreement between the FCRTA and the County of Fresno, and would provide representation in this agreement negotiation as well. Another deputy county counsel provides legal services to FCOG and assists FCOG in the drafting and review of the agreement. The Office of Fresno County Counsel provides "dual representation" in this particular instance. The conflict waiver is available at www.ruraltransit.org

Action: Staff recommends Board Approval of the Conflict Waiver for representation of the FCRTA and FCOG regarding conflict for administration of grant funding. Staff further recommends the Board authorize the General manager to execute an agreement with FCOG for \$91,916.

D. Transit Asset Management (TAM) Plan Update [INFORMATION]

Summary: The Federal Transit Administration (FTA) requires transit agencies to develop a Transit Asset Management (TAM) Plan in order to monitor and manage an agency's public transportation assets so that they can be operated and maintained in State of Good Repair (SGR). The TAM Plan includes an inventory that details mileage, useful life and condition of the fleet vehicles. Staff has updated FCRTA's TAM Plan and has submitted the plan to FCOG and uploaded into the Caltrans Blackcat system. TAM targets will be updated based on the TAM Plan. The TAM Plan is available on the FCRTA website www.ruraltransit.org

Action: Information only. The Board may provide additional direction at its discretion.

E. Federal Transit Administration (FTA) Section 5311 Certifications & Assurances FY 2024 [APPROVE]

Summary: As an applicant for Federal Transit Administration (FTA) 5311 funding, FCRTA must submit the Certifications and Assurances to Caltrans before the FTA may award funding. FTA normally issues a new version of its Certifications and Assurances for each federal fiscal year at the time FTA publishes its notice of funding apportionment in the Federal Register for that fiscal year. The Certification and Assurances are available at the FCRTA website www.ruraltransit.org.
