Additional Information**

**A. Briefly Explain why interested in serving:**

In late 2020, I moved back to the city of Fowler where I was born and raised. As a rural resident I have developed a deeper interest in the transportation needs of rural residents. My employment history is deeply rooted in support of low-income communities. In addition, I am proud of my lengthy experience as a volunteer serving on multiple boards and commissions, both in the public and private sectors.

I recently retired from work and am seeking opportunities where I may continue to serve my community in a meaningful manner. I believe my background qualifies me to serve on the Measure C Oversight Committee which provides me the opportunity I seek.

Dear Sir,

I am happy to recommend Luisa Medina, a longtime member of our League, as a member of the Measure C Oversight Committee. Luisa has spent her working career serving Fresno in a broad array of public service positions. She has recently retired from the Central California Legal Services and is now free to volunteer her time for further community service. Luisa has demonstrated her competence in years of work with *Centro La Familia* and as a member of both the Fresno City Planning Commission and the Fresno Unified Board of Trustees. She will be a committed and knowledgeable asset to your Oversight Commission, having demonstrated a life of dedication to the betterment of our region.

The League of Women Voters of Fresno has been proud to have a representative serve on the Oversight Commission since the first iteration of Measure C in 1986. Our current representative, Bill Jordan, has indicated he is no longer able to attend meetings in person and is ready to retire. We would be delighted to have Luisa serve to continue our long interest in the effective implementation of the Measure C transportation tax.

Yours truly,

Kay Bertken, Co-President LWV of Fresno
