To ensure that Measure C funds are utilized appropriately, Fresno COG, at yearly intervals, will conduct a performance evaluation to determine if the Category is meeting its intended goals and assess whether or not to continue, or to design and implement a different strategy for the Category funds. Measure C funds can subsidize carpool or vanpool programs that originate within Fresno County. There are funds available for a variety of vanpool incentives, designed to spark the development of new vanpools and offer financial support and assistance to existing vanpools. There is also an incentive program available for encouraging the development or expansion of carpools within Fresno County. Requirements for these programs are outlined in the Measure C Extension Strategic Implementation Plan.
