**BEFORE THE FRESNO COUNCIL OF GOVERNMENTS  
RESOLUTION NO. 25-52**

**In the Matter of:  
The 2026 Measure C  
Expenditure Plan**

**RESOLUTION APPROVING  
THE 2026 MEASURE C  
FINAL EXPENDITURE PLAN**

**WHEREAS**, since 1986 Measure C has provided funds to improve transportation throughout the Fresno County region; and

**WHEREAS**, in the 20 years since approved by the voters in 2006, Measure C has or will have provided over \$600 million in Local Control funding that the cities in Fresno County, and Fresno County itself, have used to improve streets, sidewalks, and other transportation facilities and services; and

**WHEREAS**, Measure C has improved state highways throughout Fresno County, assisted with local road repairs, helped to broaden our public transportation network, develop innovative transportation options; and

**WHEREAS**, Measure C provides or will provide nearly \$300 million for public transit throughout Fresno County including urban services within the Fresno Clovis metro area, and rural services in the smaller communities and unincorporated areas; and

**WHEREAS**, currently available funding has not been sufficient to address all critical transportation issues within the Fresno County region; and

**WHEREAS**, a Steering Committee with broad representation across Fresno County developed a proposed plan to extend Measure C for another 30 years; and

**WHEREAS**, this Measure C Renewal Expenditure Plan, upon approval of the ballot measure by voters, is projected to provide nearly \$7 billion over 30 years to the 15 cities and Fresno County for local transportation improvements; and

**WHEREAS**, the Expenditure Plan is projected to provide over \$4.8 billion to fix local roads and repair sidewalks, add bicycle and pedestrian trails and other facilities; \$1.8 billion for urban and rural public transit, \$369 million for major roads and highways safety improvements and congestion relief, \$296 million for innovative projects, including zero- or low-cost public transportation fares for senior citizens, students, veterans, active military personnel, the disabled, and many other transportation projects and services.

**NOW, THEREFORE, IT IS HEREBY RESOLVED** that Fresno Council of Governments recognizes the benefits Measure C has brought to the entire Fresno County region and is in support of renewing Measure C for an additional 30 years to continue to improve transportation facilities and services in Fresno County as a whole; and

**IT IS FURTHER RESOLVED** that, by adoption of this resolution, Fresno Council of Governments approves the 2026 Measure C Expenditure Plan.
