### STANDARD ASSURANCES FOR CLAIMANTS

**CLAIMANT ASSURANCES: (initial yellow box all that apply)**

- A. Claimant certifies that it has submitted a satisfactory, independent fiscal audit, with required certification statement, to the RTPA and to the State Controller, pursuant to PUC 99245 and 21 Cal. Code of Regulations Section 6664 for the prior fiscal year (project year minus two). Claimant assures that this audit requirement will be completed for the current fiscal year (project year minus one).
- B. Claimant certifies that it has submitted a State Controller Report to the RTPA and to the State Controller, pursuant to PUC 99243.

**The undersigned hereby certifies that the above statements are true and correct.**

**SUBJECT: 2025/26 Transportation Development Act (TDA) Claim**

Please find attached to the email sent to you the following information and forms:

- (1) Electronic Forms for the 2025/26 Transportation Development Act (TDA) claim. A "Penciled in" draft claim is included to facilitate your claim.
- (2) A copy of the 2025/26 Local Transportation Fund (LTF) estimates and the Final STA estimates per the State Controller's methodology that are scheduled to be adopted by the FCOG Board on May 29, 2025.
- (3) A summary of Fresno County Rural Transit Agency's 2025/26 budget.

A copy of the Transportation Development Act Rules and Regulations manual can be viewed online at <https://dot.ca.gov/-/media/dot-media/programs/rail-mass-transportation/documents/f0009844-tda-07-2018-a11y.pdf>.

**Special Instructions:**

Prepare the Claim in accordance with your budget. Adopt the claim by Resolution (same as last year) and return the claim and resolution to Fresno COG. Or if you have a continuing resolution, return the claim with a copy of your continuing resolution.

**Timing:**

Claims submitted to the Fresno COG Board for adoption must go through the Transportation Technical Committee, the Policy Advisory Committee, and Fresno COG Policy Board. This usually means that our Board will adopt your claim the month after we receive it providing that we receive it in time to make the TTC agenda mail out on the last Wednesday of the month.

**The Process:**

- (1) The Fresno COG Board adopts the annual estimated fund apportionment for LTF.
- (2) Member Agencies reserve their annual portion of the fund:
  - a. A Claim is prepared in accordance with the agencies' annual operating budget.
  - b. The Claim is adopted by Resolution of the Local Agency Board.
  - c. The Claim is adopted by Resolution of the Fresno COG Board.
- (3) LTF sales tax receipts are deposited monthly in the County Trust Fund, from the State Board of Equalization. Fresno COG sends allocation instructions to the County of Fresno Auditor Controller each quarter to issue checks to agencies based on the availability of sales tax, the unpaid Claim balance, and the priority of the Claim.
  - a. Transit is paid first.
  - b. Bicycle and Pedestrian Facilities are paid second.
  - c. Streets and Roads are paid last.
- (4) At year end the total tax receipts are compared to the original apportionment estimate. Shortfalls are deducted from the unpaid Article 8 Streets and Roads Claim balance pro rata. A surplus may be claimed as Article 3 Bike and Pedestrian, Article 4 Transit or Article 8 Streets and Roads and is paid out in the first quarter of the following fiscal year. A year-end report will be sent to each agency detailing the allocations paid during the year and the unpaid Claim balance. The allocation detail will

facilitate agency year end close out and audit. The unpaid Claim balance should become a receivable from Fresno COG on the agency financial statements.

**Eligibility and Compliance:**

Article 4 – Transit

Detailed rules for eligibility and compliance for expenditure of Article 4 – Transit funds can be found in the Transportation Development Act Statutes and California Code of Regulations. Generally, any legitimate Transit operating or capital expense is eligible as long as the Section 6667 compliance requirements are followed.

Article 3 – Bicycle and Pedestrian Facilities

Eligibility and compliance for expenditure of Article 3 funds are detailed in the Transportation Development Act Statutes and California Code of Regulations Section 99234.

Article 8a – Streets and Roads

The Fresno COG Board adopted the State Controller's Office "Guidelines relating to Gas Tax Expenditure" as the criteria for determining eligibility of Article 8a. Generally, funds are eligible to be spent for any street related repair, maintenance, or construction. A copy of the Guidelines can be downloaded at [https://sco.ca.gov/Files-AUD/gas\\_tax\\_guidelines31219.pdf](https://sco.ca.gov/Files-AUD/gas_tax_guidelines31219.pdf).

An audit of TDA funds expended by Article is required each year by Section 6664. Generally, Fresno COG contracts with one firm to provide a combined audit report of all non-transit funds expended by entity. Various transit providers have the *Transit Compliance Report* done as part of their annual audit. The reports are due to the State Controller's Office within 180 days after the last day of the fiscal year. Fresno COG has statutory authority to extend the deadline no more than 90 days. Agencies with delinquent audit reports are ineligible to receive TDA allocations until the delinquency is resolved. The initial cost of the non-transit audits is funded by Fresno COG administrative fees. Additional audit fees incurred to resolve audit findings or to provide Transit Compliance reports are charged against the agency's Article 4 & 8 apportionment the following year. In the interest of facilitating audit requirements, the Fresno County Transportation Authority has requested that we expand the TDA audits to include Measure "C" compliance. Public Transportation Modernization, Improvement, and Service Enhancement (PTMISEA) sent to Transit Operators from the State Controller's Office and SB1 State of Good Repair funds allocated by FCOG will also be subject to the audit.

If you have any questions concerning the claim or the process, please call me at 559-233-4148.

Sincerely,

*Les Beshears*

**RESOLUTION NO. 2022-42**

---

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PARLIER SUPPORTING THE MEASURE C  
RENEWAL EXPENDITURE PLAN**

---

WHEREAS, since 1986 Measure C has provided funds to improve transportation throughout Fresno County, including the City of Parlier; and

WHEREAS, in the 20 years since approved by the voters in 2006, Measure C has or will have provided over \$600 million in Local Control funding that the cities in Fresno County, and Fresno County itself, have used to improve streets, sidewalks, and other transportation facilities and services; and

WHEREAS, Measure C has improved state highways throughout Fresno County, including those used extensively by City of Parlier residents; and

WHEREAS, Measure C provides or will provide nearly \$300 million for public transit throughout Fresno County including urban services within the Fresno Clovis metro area, and rural services in the smaller communities and unincorporated areas; and

WHEREAS, currently available funding has not been sufficient to address all critical transportation issues in the City of Parlier; and

WHEREAS, two committees with broad representation across Fresno County developed a proposed plan to extend Measure C another 30 years; and

WHEREAS; on July 7, 2022, the Fresno Council of Governments (COG) approved this proposed Expenditure Plan; and

WHEREAS, on July 20, 2022, the Fresno County Transportation Authority (FCTA) adopted the Expenditure Plan approved by COG; and

WHEREAS, this Measure C Renewal Expenditure Plan, upon approval of the ballot measure by voters, is projected to provide nearly \$5 billion over 30 years to the 15 cities and Fresno County for local transportation improvements, as determined by each City Council or the Board of Supervisors; and

WHEREAS, the Expenditure Plan is projected to provide over \$3.5 billion to fix local roads and repair sidewalks, \$812 million for urban and rural public transit, \$76 million for safe bikes and pedestrians, \$998 million for major roads and highways safety improvements and congestion relief, \$144 million for environmental sustainability projects, and over \$1.2 billion in Local Control funding for addition street repairs, enhanced transit, additional bike lanes and sidewalks, and many other transportation projects and services; and
