II. TRANSPORTATION ACTION/DISCUSSION ITEMS

A. Measure C Renewal Expenditure Plan – Next Steps

Summary: At its December 18 meeting, the Fresno COG Policy Board adopted Resolution 25-52, approving the 2026 Measure C Implementing Guidelines and Expenditure Plan. In the same motion, the Policy Board instructed staff to seek approval for the Expenditure Plan by resolution from the Fresno County Board of Supervisors, as well as from each of the 15 incorporated cities.

The motion directed staff to initially approach County of Fresno officials to place a resolution of support on the Board of Supervisors' January 6, 2026, agenda. On December 19, the County advised Fresno COG staff that it would not agendize the resolution until it was presented to the other COG members for action.

Given prior statements by County Supervisors who have been involved in developing the Expenditure Plan at Fresno COG and the Fresno County Transportation Authority, as well as the recent decision declining Fresno COG's request to place the Expenditure Plan and Implementation Plan on the agenda, Fresno COG leadership is concerned that the Board of Supervisors will be disinclined to approve the Measure in its current form. Consequently, staff are seeking further direction from the Board regarding future activity.

Under California Public Utilities Code Division 15 (Sections 142000–142277) Fresno COG has until late July 2026 to secure resolutions supporting the Expenditure Plan from the Board of Supervisors and a majority of the incorporated cities in Fresno County representing a majority of the population. If approved, the Plan along with the Implementation Guidelines shall be presented to the Fresno County Transportation Authority for approval and then placed on the ballot by the Board of Supervisors.

While the state statute does not require jurisdictions to approval the Expenditure Plan in any particular order, should either the Board of Supervisors or a majority of the incorporated cities in Fresno County representing a majority of the population fail to approve it, the sales tax measure cannot be placed on the ballot.

Action: Discussion and action to be determined. Staff are seeking direction from the Policy Board on next steps.

- Robert Phipps (FCOG) reported on the item and provided an overview of the Measure C Renewal Expenditure Plan and proposed next steps.
- Discussion ensued regarding three potential options moving forward: Discontinue with the current expenditure plan, move forward with the current expenditure plan as presented, or enter into negotiations with Fresno County regarding the expenditure plan.
- Following discussion and after an opportunity for public comment, Mayor Mouanoutoua (City of Clovis) made a motion to discontinue any further work on the current renewal plan. The motion was seconded by Mayor Leon (City of Huron).
- The motion failed. 7 voted YES at 72.37%, 5 voted NO 22.78%.
- Mayor Vosberg provided a subsequent motion to reconsider the failed motion. This was seconded by Mayor Guerra-Silva (City of Orange Cove).
- The motion passed 9 YES at 74.54%, 3 voted NO at 20.62%, to discontinue with the current plan.

Vote: Yes - 9 members at 74.54%; No - 3 members at 20.62%

Absent: Firebaugh, Kingsburg, San Joaquin and Selma

Motion passed with 9 members at 74.54%.
